It provides an opportunity to the students to present a candid view on teaching and learning, general administration etc. and give their opinion on aspects which they feel need attention. It also helps college administration to review its policies and improve upon its academics and other facilities at regular intervals.

Process adopted for feedback

The process of collecting feedback is voluntary. All students are however; encouraged to give the feedback in every academic session. Feedback is collected by filling a printed form (provided by college) or downloading the form from college website. All the information received is used for analysis and is kept confidential.

Design of the feedback

Students are asked to rate the nine parameters on a four points rating scale as follows:
