A National Seminar on “**EMERGING ROLE OF BIOSCIENCES AND BIOTECHNOLOGY IN HUMAN WELFARE**” is being organised on 17th March 2026 at Brahmanand PG College, Kanpur sponsored by CSJM University Kanpur. The seminar would be conducted in hybrid mode (online & offline).

Advancement in biological sciences have played a pivotal role in addressing challenges like disease management, food security, environmental sustainability that the humanity is facing today. This national seminar aims to bring together researchers, academicians, professionals and students to discuss recent innovations, research findings and explore interdisciplinary aspects in this field. The seminar will provide a platform to exchange ideas on key topics of genetic engineering, bio-informatics, molecular diagnostics, bio-pharmaceuticals etc.

About the College

Brahmanand PG College, Kanpur (established in 1961) is one of the oldest and premier science college of Kanpur. UG and PG programs in basic science stream are run by the college along with commerce and law faculties. College upholds the vision of equality and fraternity and inspires its students to inculcate the spirit of free thinking.

Objectives of the Seminar

- To provide a platform for knowledge sharing, collaboration and exchange of ideas.
- To provide a common stage for policymakers, academicians and researchers to put forward their ideas and observations
- To make policy planners aware of the problems and their putative solutions for comprehensive policy making.

Sub-Themes of the Seminar

- Molecular biology and genetic engineering
- Biotechnology in health care and diagnostics

- Vaccine development and delivery system
- Stem cell therapy & regenerative medicines
- Agricultural biotechnology
- GM crops and food security
- Plant tissue culture and crop improvement
- Industrial and environmental biotechnology
- Biofuels and green energy
- Bioinformatics and computational biology
- Public health & Nutraceutical biotechnology
- Recent trends in Nanobiotechnology
- Ethics in Biosciences and Biotechnology

Abstract Submission

Participants must submit their abstract (250-300 words) at nsbnd2026@gmail.com by 6th March 2026. Abstract (in English) should be typed in Times New Roman (Font Size 12) along with author's name, designations, affiliations and email address of the corresponding authors.

Registration

Participants, after paying the registration fee (cash / online) can register for the seminar by using the following link / QR code

Registration Fee:

Faculty Members/ Professionals	: Rs. 700/=
Research Scholars	: Rs. 500/=
Students	: Rs. 300/=

Registration Fee can be paid by :

QR CODE	Bank Account Details
	Account Name: Principal BND College
	Account No: 00272011034583
	IFSC: PUNB0002710
	Punjab National Bank, The Mall, Kanpur
